Pangasinan

During World War II, **Lingayen** was invaded by Japanese forces as one of the main targets, due to it being a gateway to the central plains of Central Luzon to seize Manila. Lingayen is also the **birthplace** of former **President Fidel Ramos**. It is the **capital seat of government** of the province of **Pangasinan**. I love Pangasinan's nature, and nearby places like **Alaminos, Balinao, and Dasol** which are surrounded with beautiful beaches and legendary landmarks. It makes me feel at home every time I visit these places.
